Subject: Trump LA - Conditional Use Permit Amendment

Hi Amy,
I just wanted to give you a heads up that my Assistant will be bringing a Conditional Use Permit Amendment application to you this afternoon. I had discussed this with So Kim prior to her departure, but essentially, we are requesting the right to place a mobile container in the area of the driving range to use as a storage location for our golf club fitting service. Once you receive the application, if you have any questions or need anything else, please let me know.

Thanks,
